

**UNCORK YOUR PROFITS**

**Your amazing wine  
+ the right equipment  
= profit potential per serving  
of \$5 or more**

**Wine Slushies.** What started as a kitschy fad has now advanced to full-on summertime staple status.

**It's a Win-Win.** Your customers love the refreshing way to enjoy your wine and you gain a popular menu item that quickly adds revenue to your bottom line.

**It Couldn't Be Easier.** With recipes as effortless as your wine + simple syrup and a frozen beverage freezer from Kappus, you can go from wine to wine slush in as little as 15 minutes:

- No water line
- No ice
- No special electrical
- No nightly cleaning

**Versatile Equipment Options.** Choose the equipment best suited for your volume and budget. Short-term rental and rent-to-own programs also available.

**Proven Success.** Here are just two of many wineries having success with wine slush:
